

WELCOME LETTER

SCHOOL YEAR 2026-2027

Dear Parents,

We are pleased to welcome you and your family to Champions. We are more than a school and more than a community. **We Are Family.** Many of our teachers and staff are parents who have children enrolled at the school. We believe in our school, and we are committed to your children and your family.

We'd like to introduce you to our administrative team. They all carry the same spirit of excellence and compassion, but we serve you in different capacities.

- **Annabel Vargas**, Receptionist
- **Ashley Rivera**, Activities Coordinator
- **Josie Montilla**, Admissions Coordinator
- **Hosanna Santiago**, Office Supervisor
- **Darylis Torres**, Assistant Principal, Elementary
- **Damian Fernandez**, Assistant Principal, Secondary
- **Gabriella Bowden**, Program Director
- **Yassar El-Amin**, Athletic Coordinator
- **Stefani Bonilla**, Project Manager

This team provides the operational leadership we need, by interacting with you and your children on a daily basis. As a visionary leader, my gifts help the organization to think strategically, build great programs, make sound financial decisions, and hire and develop the best teachers.

If you have any questions, please email us at admins@ChampionsCA.org. Or feel free to call or text us during business hours at 863-420-2885.

Sincerely,

Pastor Kevin Slack, MEng, MA, PE
Head of School
